United Nations

New York, NY 10017

Dear Mr. Secretary-General,

I am pleased to confirm that throughout its eighty year existence Iten Industries, Inc. has aggressively supported the ten principles as stated in the United Nations Global Compact in respect to human rights, labor rights, the environment and anti-corruption as we have made these principles part of the strategy, and culture of day-to-day operations. With this communication, we express our intent to continue our dedication to those principles within our sphere of influence and to make a clear statement as such to our associates, partners, clients, and to the public.

Attached please find general information regarding our company, as well as the contact person responsible for relations with the office of the Global Compact.

Sincerely yours,

Peter D. Huggins
