We

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

2. Promote the Global Compact and its principles through one of the following activities (at least one of the following options is required)
  - Deliver education on topics related to the Global Compact
  - Disseminate the Global Compact principles
  - Provide support for UN Global Compact business participants in their own sustainability implementation and disclosure efforts
  - Lend capacity to Global Compact Local Networks and/or the Global Compact Office
