Dear Mr. Secretary-General,

I am pleased to confirm that JCI Syria supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance those principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in the Global Compact Network - Syria; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

Mr. Bassel Azzouz  
2009 JCI Syria President
