**Dear Mr. Secretary General,**

I am pleased to confirm that "The International Union of Economists and Managers in the European Union Countries"; **IUEMEUC**; supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact where appropriate and feasible – through for instance, participation in the country of each member or the IUEMEUC network, involvement in specialized and work streams, engagement in partnership projects, and reviewing and providing commentary to participating companies on their Communication on Progress.

Meanwhile, the **IUEMEUC** is an international non-governmental and non-profit entity that working in creating sustainable development projects, funding and technology support for communities, schooling, health organizations. Some of our areas of activities are: Research & Development, Education/Training and Cooperate Social Responsibility.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Please accept the assurance of our best regards and esteem,

**Sincerely yours,**

**Dr. Majeed Khalil  
President of the IUEMEUC**
