USA.

Dear Mr. Secretary-General,

I am pleased to confirm that Institute of Data Processing Management Nigeria supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anticorruption.

With this commitment, We express our intent to support the global compact advancing these principles, and will make a clear Statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in ***Promoting the Global Compact and its principles through Disseminating the Global Compact Principles and to Incorporate the Global Compact principles into internal operations and communicate progress following the COP requirements.***

We recognize that a key requirement for participation in the global compact is the submission of a Communication on engagement (COE) that describes our organization's effort to support the Implementation of the ten principles and to engage with the global compact.

We support public Accountability and transparency, and therefore commit to report on progress within *two years* of joining the global compact and *every two years* thereafter according to the global compact COE policy.

Sincerely yours,

Barrister Ogbonna Mba Obiefule

President/ Chairman
