Dear Mr. Secretary General,

I am pleased to confirm that Fundación FUND ASIS supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and an--corrup-on. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public. We also pledge to par-cipate in and engage with the UN Global Compact in the following ways: Help and assist in the formation of local networks with companies and local governments propose projects Partnership Corporate Sustainability, Engaging companies on issues related to the Global Compact, joining teams concerning climate change, water, human rights, labor rights, education management , as well as collaborate in the revision of COPs and provide information directly to enterprises in the spirit of continuous improvement, participate in global and local events of the Global Compact .

We recognize that a key requirement for par-cipa-on in the Global Compact is the submission of a Communica-on Engagement (COE) that describes our organiza-on's efforts to support the implementa-on of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereacer according to the Global Compact COE policy.

Sincerely yours,

ANDREA ISABEL MARÍN
PRESIDENTE
