Dear Mr. Secretary-General,

I am pleased to confirm that Meru Greens Horticulture Ltd. supports the 10 principles of the UN Global Compact with respect to Human Rights, Labour Standards, Environment and Anti-Corruption. We are engaged in continuous performance improvements and are committed to making the Global Compact and its principles an integral part of the strategy and the daily operations of the company. We aim at engaging in collaborative projects which contribute to broad sustainable development objectives, including the Millennium Development Goals and we will make a clear statement of this commitment to our stakeholders and the general public.

Meru Greens Horticulture Ltd. understands that the company will be required to compile and submit an Annual Communication on Progress (COP) which details the progress in implementation of the ten principles of UN Global Compact. We acknowledge public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Yours sincerely,

Mr. Gerald Muthomi,

Managing Director, Meru Greens Horticulture.
