Subject: CEO statement of Support

Dear Mr. Secretary General,

We, at Buksh Foundation in Pakistan, are enthusiastic on supporting the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

Buksh Foundation also pledges to participate in and engage with the UN Global Compact in the following ways:

- Stakeholder engagement through corporate responsibility mandate of Buksh Energy Pvt. Ltd and other strategic corporate partnerships
- Support corporate partners, especially sister concern Buksh Energy Pvt. Ltd with the implementation and reporting on sustainability efforts
- Engage with Global Compact Local Network in Pakistan
- Advance Global Compact Principles through the Foundation's operations in Microfinance, Clean Energy Lending, and rural off-grid electrification.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Fiza Farhan
