Dear Mr Secretary General,

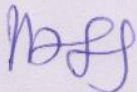

I am pleased to confirm that CongoInThePicture supports the ten principles of the UN Global Compact with the respect to human rights, labor, and environment and anti corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make clear statements of this commitment to our shareholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way:

- Engage with Global Compact Local Networks.
- Join and/or support issue platforms and work streams.

We recognize that a key requirement for participation in the Global Compact is the submission of Communication on Engagement COE that describes our organization's efforts to support the implementation of the Ten Principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report progress within one year of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours

KASHINDI Pierre

President of CongoInThePicture
