Dear Mr Secretary-General,

RE: FORTE OIL PLC COMMITMENT TO THE PRINCIPLES OF THE UN GLOBAL IMPACT

The above subject matter refers.

We write to inform you that the Board and management of Forte Oil plc hereby commits to the ten underlining principles of the UN Global Compact.

That as a signatory to the UN Global Compact, Forte Oil Plc will advocate and practice corporate sustainability as a primary value system across our organization.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles.

We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

This includes:

- A statement signed by the chief executive expressing continued support for the Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the Global Compact.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption).

- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

Yours faithfully,
for: **FORTE OIL PLC**
