Dear H.E. Ban Ki-moon,

The AMAR International Charitable Foundation (AMAR) is committed to advancing the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption.

AMAR pledges to participate in the activities of the UN Global Compact where feasible. AMAR will look to propose and implement partnerships on corporate sustainability, and to engage with Global Compact Local Networks in Iraq, Lebanon and United Arab Emirates.

In line with the requirements for participation, AMAR will submit a Communication on Engagement (COP) within two years of joining the UN Global Compact and every two years thereafter. The COP will detail AMAR's efforts to support the implementation of the ten principles of the UN Global Compact and to engage with the UN Global Compact.

Yours Faithfully,

Richard Crow
