Dear Mr. Secretary General,

With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Participate in Global Compact global and local events
- Putting our expertise to the service of UN Global Compact.
- Help shape the most effective ideas, develop research tools, and continue create effective solutions through partnership projects.
- Joint and/or special initiatives and work streams
- We will also assist you to hold companies accountable for their commitments

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
