Dear Mr. Secretary General

I am pleased to confirm that **Genta Polymer Indonesia** supports to the ten principles of the Global Compact in respect to human rights, labour rights, the protection of the environment, and anti-corruption, because it is very relevant with the spirit and vision in our business activity which produce plastic raw-material from waste recycling, although our company is still a small scale in the business.

With this communication, we express our intent to support and advance those principles within our sphere of influence by making a clear statement of this commitment both internally and to the public. We will explore opportunities to build the global partnership with companies and other stakeholders to further the implementation of the ten principles.

Please find attached some general information regarding our organization as well as the contact person responsible for contact with the office of the Global Compact.

Sincerely yours,

PT. Genta Polymer Indonesia
