Dear Mr. Secretary-General,

I am pleased to confirm that Charity Right Bangladesh supports the ten principles of the Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:
Charity Right Bangladesh will engage with the Global Compact local networks to support and contribute in the ten principles and development goals. Charity Right works to eliminate poverty and hunger from the roots, while facilitating education where the underprivileged children previously had no access to education and were subjugated to child labour. All of these fall under the UN Sustainable Development Goals (SDGs) 1, 2 and 4 respectively. Also Charity Right provides free periodic medical checkups for the most underprivileged to achieve good health- SDG 3 and partners with various corporations (SDG 17) to achieve the goals. Charity Right is against any discrimination and gender inequality and provides free food and education to all underprivileged people equally.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Mr. Ashfaq Zaman

President, Charity Right Bangladesh.
