Dear Mr. Secretary General,

I am pleased to confirm that **TACID Network** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:

1. Promote the values of global compact with our network members and insure that they implement the 10 principles in their projects.
2. Contribute In the Building of a local network UN Global compact.
3. As we are a active actor in Tunisia in the building of the new socio economic model of governance in Tunisia, we hope to help UN in the one of the pilot project of Global Compact

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely

Asma CHERIFI

President founder of TACID
