His Excellency,
Ban Ki-Moon,
Secretary-General,
United Nations,
New York, NY 10017
USA.

Dear Mr. Secretary General,

I am pleased to confirm that **Simaag B... Integrated Farm (A Division of Simaag Beyond Multiventures)** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **Simaag B... Integrated Farm (A Division of Simaag Beyond Multiventures)** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles and support any specialized UN Global Compact issue platform that our company may join at a later date. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy. This includes:

- The above company will intensify effort to contribute to agricultural development to complement the UN Global Compact goals and initiative.
- We will engage in programmes that will reduce poverty and crime-free society, to the barest minimum and we will promote Human Right, Labor, conducive environment and anti-corruption.
- We will train, employ and empower the youths to be self-dependent after their university education.
- We will send updates to the UN Global Compact of our activities and attend all conferences and summits that UN Global Compact may organize in the future. We are ready to comply with UN Global Compact on any developmental initiative, for the developing world.

Sincerely yours,

Farinto Peter Adewale
CEO, Simaag B... Integrated Farm
