Re: Letter of Application to the Global Compact of the United Nations

Honorable Secretary-General,

I am honored to inform you that Wikwiheba e.V. affirms and subscribes to the ten principles of the Global Compact of the United Nations concerning respect for human rights, international labor norms, environmental protection and the fight against corruption. Furthermore, Wikwiheba commits to submit the Communication on Engagement (COE) within two years after joining the Global Compact, and every two years thereafter.

Wikwiheba is a Germany-based non-profit organization working to provide shelter, education, vocational training, agriculture assistance, and small business grants to youth in Rwanda.

With this letter, we express our will to join and support the Global Compact in the promotion of these principles and our plan to announce our engagement on these issues to our partners, donors and the general public.

Sincerely,

Deborah Bedford-Strohm
Chairwoman of the Board of Directors Wikwiheba e.V.
