Dear Mr. Secretary-General,

I am pleased to confirm that *Indigo Systems Limited* supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals; *Indigo Systems Limited* will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on progress (COP) .The statement includes a commitment to engage in partnerships to advance the board UN goals.

The COP will include the three necessary elements (statement signed by the Chief executive expressing continued support for the Global Compact, a description of practical actions, and a measurement of outcomes.

Sincerely yours
