Dear Mr. Secretary General,

I am pleased to confirm that **DHAKA MOHANAGAR CORRUPTION PREVENTION COMMITTEE (DMCPC) & YOUTH APPROACH FOR DEVELOPMENT AND COOPERATION** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): We research and campaign for MDG to SDG and would like to join UN GLOBAL COMPACT. This will enable us to strengthen our involvement to achieve the goal for our country and abroad. One of our missions is to prevent corruption and make awareness among schools, colleges, religious organizations and general mass.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support Public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
