Dear Mr. Ban Ki-moon,

On behalf of Sterlite Industries (India) Limited, I would like to express our support for Global Compact. We are committed to upholding and promulgating the 10 principles of Global Compact. We will also ensure that environmental and social development initiatives appropriately undertaken by our company promote these principles in the region where our companies operate and also permeate across the supply chains.

Sterlite is principally a copper smelting and refining business in India with 400,000 tpa capacity. Copper Anode is refined into copper cathode and rod at Tuticorin and Silvassa.

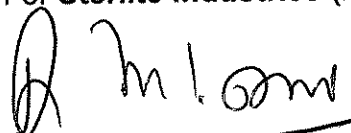

Our turnover is 3123 million USD and have an employee base of 900 people.

Ms. Ruby Thapar, Group CSR Head & Ms. Sumathi, HSE Head would be the nodal points of contact for all our Global Compact initiatives. They can be connected at: Ms. Ruby thapar at ruby.thapar@vedanta.co.in, Ph: 91 -22- 56461411 and Ms. Sumathi at a.sumathi@vedanta.co.in , Ph: 91-461-6612189.

Thanking you,

Warm regards,

For **Sterlite Industries (India) Ltd.**,

R. Kishore Kumar
Chief Executive Officer
