H.E. Mr. Ban Ki-moon
Secretary-General of
the United Nations
New York, NY 10017

June 9, 2016

Dear Secretary-General,

I am pleased to confirm that Richard Attias & Associates supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects, which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. Richard Attias & Associates will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We therefor commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

This initiative is a demonstration of our commitment to support and promote corporate sustainability as well as a public-private sector partnerships and initiatives.

You will find attached additional details on our company as well as the contact details of our international Global Compact reference person.

With my warmest regards,

Richard Attias
