Dear H.E. Secretary-General,

I am pleased to confirm that **The International Peace College** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

1. Our aim is also to provide Education and Skills Development College for refugee, asylum seeker, handicap, disability, Poor and the Needy of the Society regardless of race, color, creed, gender or social class and support to promote the work of the United Nations and the achievement of the Millennium Development Goals.
2. To create a new dimension in the learning skills to adult school leavers who out of sheer academic flow to offer national and international vocational skills certification in order to provide opportunities for trainees to get a job as a skilled workers or entrepreneurs.
3. To promote academic excellence by offering quality programs in Education, Skills Development, Peace, Ethics, Conflict Resolution, Tolerance, Anger Management, Youth Engagement, Women Empowerment, Capacity Building and other relevant areas.
4. The International Peace College is to provide humanity with an international institution of higher education for peace with the aim of promoting among all human beings the spirit of understanding, tolerance and peaceful coexistence, to stimulate cooperation among peoples and to help lessen obstacles and threats to world peace.
5. The philosophy behind such offerings is to prepare citizens to deal with the challenges with a balanced, healthy mind by promoting, peace, harmony, mutual coexistence, spiritual and in turn holistic healing.
6. To raise funding, disburse scholarship and provide shelter to the neediest student.
7. To support and organize education and skill related conferences, seminars, training, exhibition, events and social welfare activities nationally and internationally.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Yours truly,
