Dear Mr. Secretary-General,

I am pleased to confirm that Wuqu' Kawoq supports the ten principles of the UN Global Compact with respect to human rights, labor, environment, and anticorruption.

Agreeing to this commitment, we will work to advance these principles within our organization and circle of influence, and we will make a clear statement of our commitment to our local and international stakeholders and to the general public.

We also pledge to take part in the activities of the UN Global Compact when appropriate and possible, through participation in country/local networks, our involvement in specialized initiatives and through engagement in partnership projects; and by reviewing and providing commentary to participating companies on their communications progress. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely,

Anne E. Kraemer Diaz, MA
