Dear Mr. Secretary-General,
I am pleased to confirm that *Brandon AB* supports the ten principles of the Global
Compact on human rights, labour, environment and anti-corruption.
With this communication, we express our intent to implement those principles. We
are committed to making the Global Compact and its principles part of the strategy,
culture and day-to-day operations of our company, and to engaging in collaborative
projects which advance the broader development goals of the United Nations,
particularly the Sustainable Development Goals. Brandon AB will make a clear
statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the
annual submission of a Communication on Progress (COP) that describes our
company's efforts to implement the ten principles and support any specialized UN
Global Compact issue platform that our company may join at a later date. We
support public accountability and transparency, and therefore commit to report on
progress within *one year* of joining the Global Compact, and *annually* thereafter
according to the Global Compact COP policy. This includes:

- A statement signed by the chief executive expressing continued support for
  theGlobal Compact and renewing our ongoing commitment to the initiative
  and itsprinciples. This is *separate* from our initial letter of commitment to
  join the GlobalCompact.
- A description of practical actions (i.e., disclosure of any relevant policies,
  procedures,activities) that the company has taken (or plans to undertake) to
  implement theGlobal Compact principles in each of the four issue areas
  (human rights, labour,environment, anti-corruption).
- A measurement of outcomes (i.e., the degree to which
  targets/performanceindicators were met, or other qualitative or quantitative
  measurements of results).

Sincerely yours,

Mr. Per Hellberg
CEO, Brandon AB
