Dear Mr. Secretary-General,

I am pleased to confirm that the Association of Business Women in Serbia supports the ten principles of the US Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the Global Compact where appropriate and feasible – through, for instance participation in Country/Local networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely,

Sanja Popovic-Pantic
President, Association of Business Women
