Dear *Mr Secretary - General,*

NEA's Letter of Commitment for UN Global Compact Initiative

I am pleased to confirm that National Environment Agency supports the ten principles of the UN Global Compact (UNGC) with regard to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact's actions in advancing these principles, and will make a clear statement of this commitment to our stakeholders.

We also pledge to participate in the activities of the UNGC where appropriate and feasible – through, for instance, participation in Global Compact Network Singapore's activities and initiatives.

We recognize that a key requirement for participation in the UNGC is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles. We support public accountability and transparency, and therefore commit to reporting on progress within two years of joining the UNGC and every two years thereafter according to the UNGC's COE policy.

Yours sincerely,

Ronnie Tay
Chief Executive Officer
