Dear Mr. Secretary General,

I am pleased to confirm that our NGO **Agir Pour l'Epanouissement de l'Enfant et de la Femme en Afrique** supports the ten principles of the UN Global Compact with respect to human rights, labor, environnement and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: Explore Participation in Local Networks; Join and/or Propose Partnership Projects; Engage Companies; Participate in Global, Regional and Local Events.

We recognize that a key requirement for participation in the Global Compact is the biannual submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Mr. Kossi KPADE,
Executive Director
