RE: MAA Composite Ltd. Intent to Become a Signatory of the UNGC

Dear Mr. Secretary- General,

I m pleased to confirm that MAA Composite Ltd. supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance these principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company and to engaging in collaborative projects, which advance the broader developments goals of the United Nations, particularly the Millennium Development Goals. MAA Composite Ltd. will make a clear statement of this commitment to our employees, clients and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and every year thereafter according to the Global Compact COP policy.

Yours faithfully,

Mustafain Munir,
Director.
