Dear Mr. Secretary General,

I am pleased to confirm that Charities Aid Foundation (CAF India) supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:

- We have already strengthened our commitments to the UN Guiding Principles by engaging as a Life Time Member with the Local Network, Global Compact Network India (GNCI) and will continue to do so.
- We will engage in partnerships with our multi - stakeholder partners to advance the UN Global Compact's principles and support broader UN goals, such as the UN Sustainable Development Goals.
- We would support UN Global Compact business participants in implementing and reporting on their sustainability efforts.
- We would engage in diverse work streams, platforms, forums towards the advancing SDGs and corporate social responsibility within our country.
- We will conduct applied research and thought leadership to advance best practices. We will disseminate the sustainable practices through advocacy, communication, research papers and outreach within our partner and peer network.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Ms Meenakshi Batra
